Dear Mr. Smith:

This is to acknowledge the results of the Compliance Inspection conducted at your facility on January 31, 2012 by Anna Harrison, Registered Nurse of this Department. Your facility was found in compliance with 175 NAC 4 – Regulations Governing Licensure of Assisted-Living Facilities. A copy of the Compliance Inspection Report was given to you at the completion of the inspection.

The results of the Compliance Inspection are commendable and we applaud your efforts to maintain compliance with the Assisted-Living Facility regulations.

If you have any questions in the future, please contact me.

Sincerely,
